BOUW DEZE SCHATTIGE PANDA TANDENBORSTELHOUDER!

Tandenpoetsen is nog nooit zo leuk geweest!

De reuzenpanda is een bedreigde diersoort, er zijn er nog maar zo'n 2000 in leven in de berggebieden van China – hun natuurlijke leefomgeving. Daarom is de reuzenpanda wereldwijd hét symbool geworden voor de dierenbescherming. Bouw deze panda met stenen uit je LEGO verzameling en laat zien dat je een supporter bent!
